

model EU-1152

Wall Mounted Fountain

FEATURES & BENEFITS

CONSTRUCTION

Stainless steel basin with a high-polished finish compliments almost any setting, and it also resists stains and corrosion.

MOUNTING

Wall-mounted design makes for a space install, supported by a cast-aluminum wall bracket.

BUBBLER VALVE

Polished stainless steel cartridge valve which allows for top access stream adjustment as well as cartridge and strainer access, and is designed with a shielded, anti-squirt orifice that provides a steady sanitary source of water.

OPTIONS

- ❑ Valve Repair Kit: Model VRK5010, valve repair kit that includes the cartridge assembly, screen and washer.
- ❑ Water Filter: Model 6426, 12" x 2" (30.5 x 5.1 cm), in-line lead removal element that reduces lead from incoming water supply.
