model **EU-1409**

Barrier-Free Triple Bubbler Aluminum Wall Mount Fountain

FEATURES & BENEFITS

CONSTRUCTION

Cast aluminum bowl with integral mounting brackets along with a powder-coated finish combine for a strong long lasting product, while a vandal-resistant bottom plate discourages unwanted access.

INTEGRATED TRAP

All cast brass 1-1/4" NPT adjustable traps completely concealed inside bottom plates for easy installation and lack of unwanted access.

QUALITY CONTROL

Pre-built fountain is pressure tested to ensure no leaks and proper functionality.

HIGH CAPACITY BASIN

Combined low profile design and the use of three bubblers supply the needs of many, which is perfect for schools and other high traffic areas.

FINISH

Gleaming white powder-coated finish is attractive and functional for any situation, and the soft rounded corners provide added safety and peace of mind.

BUBBLER HEAD

Polished chrome-plated brass bubbler head with integral basin shank for added strength. Shielded, angled stream opening provides a steady, sanitary source of drinking water at .45 gpm.

DRINKING FOUNTAIN VALVE

The push-button activated valve offers the only all stainless steel valve body that is machined out of solid bar stock, is fully serviceable through the front of the push button assembly offering access to the water control cartridge and integral water supply strainer, and with front access to the water stream height adjustment for easy maintenance without having to remove the valve. Operating pressure range of 30 to 90 psi (2.1 to 6.2 bar).

SPECIFICATIONS

Model 1409 is a three bubbler wall mounted, wheelchair accessible drinking fountain made of white powder-coated cast aluminum. Unit shall include recessed push-button stainless steel valves with front-accessible flow adjustments and cartridge and strainer access, 100% lead free waterways, polished chrome-plated brass bubbler heads locked to the bowl and solid chrome-plated brass waste strainer. Unit shall also include a vandal-resistant bottom plate and a 1-1/2" NPT trap.

APPLICATIONS

OPTIONS

- Water Filter: Model 6426, 12" x 2" (30.5 x 5.1 cm), in-line lead removal element that reduces lead from incoming water supply.
- Bottle Filling Station: Model 1900, bottle filler can be a stand-alone station, or mounted above most Haws drinking fountains along with most competitors' fountains and water coolers.
