## SPECIFICATIONS

The Haws **Dust Cover 9128** (item number: 10010543) is designed to protect the **Haws 7501 Portable Eyewash**\* from dust, dirt, and airborne particles. By covering the entire unit, it helps keep the eyewash clean and ready for use—especially in environments with high levels of dust or general contamination.

Made from clear, heavy-duty vinyl, the cover enables quick visual inspection without removal. Its secure fit and tool-free installation make it a smart addition wherever cleanliness and operational readiness are critical.

\* not included

## APPLICATIONS

The Haws Dust Cover 9128 is a simple yet effective way to protect the Portable Eyewash 7501 and ensure it's always ready for immediate use in:

- Industrial and warehouse environments
- Construction sites and outdoor workplaces
- Maintenance and utility areas
- Ports, terminals, and transport hubs
- Mobile and temporary worksites
