

model EU-MTGFR.DF2

Mounting Frame

FEATURES & BENEFITS

MOUNTING

Galvanized frame and 10 gauge surface plate provide the maximum mounting strength for the 'Hi-Lo' MS style Haws drinking fountains.

OPTIONS

For more information, visit www.hawesco.com or call (888) 640-4297.

SPECIFICATIONS

Model MTGFR.DF2 "Hi-Lo" mounting frame is made of heavy gauge galvanized steel with pre-punched mounting holes for use with Haws 1011 series fountains and is used to provide access to the in-wall traps.

APPLICATIONS

Haws produces mounting plates and frames to assist in the installation process as well as to provide solid bases for the wall mounted designed fountains. Mounting plates and frames meet the requirements solely for the specified applicable fountains and are not designed to be used in the installation of any unspecified fountain.
